consolatione superabundo gaudio in omni tribulatione nr̄a Nam

et cum uenissemus in macedoniam nullam requiem habuit caro

Sed qui consolatur humiles consolatus est nos deus in aduentu tito

non solum autem in aduentu eius sed et in consolatione qua consolatus

Petrus & johes ascendebãt in templũ ad horã oronis nonã. Et ecẽ
vir quidam cui nomen erat petrus & johem cepit rogare eos ut
elemosinã acciperet. Intuens autẽ in eum petrus cum johe dixit
ei. Respice in nos. At ille intendebat eis putans se aliquid
ab eis accepturum. Petrus autẽ dixit. Argentum & aurum non est
mihi quod autem habeo hoc tibi do. In nomine ihu xpi nazareni
surge & ambula. Et adprehendens manum dexteram eius erexit
eum. Confestim autem consolidate sunt bases eius & plantę. Et
exiliens stetit & ambulabat. Et intrauit cum illis in templum
ambulans & saliens & laudans deum. Et uidit omnis populus eum
ambulantem & laudantem deum. Agnoscebant autem eum quia ipse
erat qui ad elemosinam sedebat ad speciosam portam templi. Et
impleti sunt stupore & extasi in eo quod contigerat illi. Tenente
autem petro & johe cucurrit omnis populus ad eos in porticum
quę dicitur salomonis. Et uidens petrus respondit ad populum.
Viri israhelite quid admiramini in hoc homine aut quid nos
intuemini quasi nostra uirtute aut pietate fecerimus ut ambulet
hic. Deus abraham & deus isaac & deus iacob deus patrum nostrorum
glorificauit filium suum ihm quem uos quidem tradidistis &
negastis eum coram facie pilati iudicante illo dimittere. Uos
autem sanctum & iustum negastis & petistis uirum homicidam
donari uobis. Auctorem autem uitę interfecistis quem deus
suscitauit a mortuis cuius nos testes sumus. Et in fide nominis
eius hunc quem uidistis & nostis confirmauit nomen eius. Et fides
quę per eum est dedit huic integram sanitatem coram omnibus
uobis. Et nunc fratres scio quia per ignorantiam fecistis sicut
& principes uestri. Deus autem quę ante omnium prophetarum suorum
annuntiauit passurum esse christum suum sic implęuit. Penitemini
igitur & conuertimini ut deleantur peccata uestra. Ut cum
uenerint tempora refrigerii a conspectu domini & emiserit
ihm christum uobis prędicatum. Quem oportet celum quidem
suscipere usque ad tempora restitutionis omnium quę locutus est
deus per os sanctorum suorum a seculo prophetarum suorum. Moyses
quidem ad patres suos dixit. Quia prophetam suscitabit uobis
deus de fratribus uestris tamquam me ipsum. Ipsum audietis
secundum omnia quęcumque locutus fuerit ad uos. Erit autem omnis
anima quę non audierit prophetam illum exterminabitur de populo.
Omnes autem prophetę a samuhel & deinceps qui locuti sunt
annuntiauerunt dies istos. Uos estis filii prophetarum & testamenti
quod disposuit deus ad patres nostros dicens ad abraham. Et in
semine tuo benedicentur omnes cognationes terrę. Uobis primum
deus suscitans puerum suum ihm misit benedicentem uos ut
conuertat unumquemque uestrum ab iniquitatibus suis. Loquentibus
autem illis ad populum supruenerunt sacerdotes & magistratus
templi & sadducei. Dolentes eo quod docerent populum & annuntiarent
in ihu resurrectionem ex mortuis. Et iniecerunt in eos manus &
posuerunt in custodiam usque in crastinum. Erat enim iam uesperum.
Multi autem eorum qui audierant uerbum crediderunt & factus est
numerus uirorum quasi quinque milia. Factum est autem in crastinum
congregari principes eorum & seniores & scribas in hierusalem.
Et annam principem sacerdotum & caiphan & johannem & alexandrum
& quotquot erant de genere principalis. Et cum statuissent eos in
medio interrogabant. Qua uirtute aut in quo nomine fecistis hoc
uos. Tunc petrus repletus spiritu sancto dixit ad eos. Principes
populi & seniores audite. Si nos hodie discutimur in beneficio
hominis infirmi in quo iste saluus factus est. Notum sit omnibus
uobis & omni populo israhel quia in nomine ihu xpi nazareni quem
uos crucifixistis quem deus suscitauit a mortuis in hoc iste
adstat coram uobis sanus. Hic est lapis qui reprobatus est a
uobis edificantibus qui factus est in caput anguli. Et non est in
alio aliquo salus. Nec enim aliud nomen est sub celo datum
hominibus in quo oporteat nos saluos fieri. Uidentes autem petri
constantiam & johannis comperto quod homines essent sine litteris
& idiote mirabantur. Cognoscebantque eos quod cum ihu fuissent.
Hominem autem uidentes stantem cum eis qui curatus fuerat nichil
poterant contradicere. Iubentes autem eos exire foras conferebant
ad inuicem dicentes. Quid faciemus hominibus istis. Quia quidem
notum signum per eos factum est omnibus habitantibus hierusalem
manifestum & non possumus negare. Sed ne amplius dispergatur in
populo minemur eis ne ultra loquantur in nomine hoc ulli hominum.
Et uocantes eos denuntiauerunt ne omnino loquerentur neque
docerent in nomine ihu. Respondens autem petrus & johannes dixit
ad eos. Si iustum est in conspectu dei uestri uos magis audire
quam deum iudicate. Non enim possumus nos quę uidimus & audiuimus
non loqui. At illi adiicientes minabantur eis nichil inuenientes
quomodo eos punirent propter populum. Omnes enim glorificabant
quod factum fuerat in signo isto hominis. Plus enim erat annorum
quadraginta in quo homine factum fuerat signum istud. Dimissi
autem uenerunt ad suos & nuntiauerunt omnia quę principes
sacerdotum & seniores dixerant ad eos. Et illi audientes
unanimiter leuauerunt uocem ad deum & dixerunt. Domine tu qui
fecisti celum & terram mare & omnia quę in eis sunt. Qui dixisti
spiritu sancto per os patris nostri dauid pueri tui. Quare
fremuerunt gentes & populi meditati sunt inania. Astiterunt reges
terrę & principes conuenerunt in unum aduersus dominum & aduersus
christum eius. Conuenerunt enim in ciuitate hac uere aduersus
sanctum puerum tuum ihm quem unxisti herodes & pontius pilatus
cum gentibus & populis israhel. Facere quęcumque manus tua &
consilium tuum decreuit fieri. Et nunc domine respice in minas
eorum & da seruis tuis cum omni fiducia loqui uerbum tuum in
omni porrectione manus tue ad sanitates & signa & prodigia fieri
per nomen sancti filii tui ihu. Et cum deprecati fuissent loco in
quo erant motus factus est & repleti sunt omnes spiritu sancto &
loquebantur uerbum dei cum fiducia. Multitudinis autem credentium
erat cor unum & anima una. Nec quisquam eorum quę possidebat
aliquid suum esse dicebat sed erant illis omnia communia. Et
uirtute magna reddebant testimonium apostoli resurrectionis ihu
xpi domini nostri. Gratia quoque magna erat in omnibus eis. Neque
enim quisquam egens erat inter illos. Quotquot enim possessores
agrorum aut domorum erant uendentes afferebant pretia eorum quę
uendebant & ponebant ante pedes apostolorum. Dividebatur autem
singulis prout cuique opus erat. Joses autem qui cognominatus est
barnabas ab apostolis quod est interpretatum filius consolationis
leuites cipriota natione agrum cum haberet uendidit eum & attulit
pretium ante pedes apostolorum. Erat autem quidam nomine ananias
cum saphira uxore sua & uendidit agrum & fraudauit de pretio
conscia uxore sua & attulit partem quandam & ante pedes
apostolorum posuit. Petrus autem dixit ananię. Anania quare
temptauit satanas cor tuum mentiri te spiritui sancto & fraudare
de pretio agri. Nonne manens tibi manebat & uenundatum in tua
erat potestate. Quare posuisti in corde tuo hanc rem. Non es
mentitus hominibus sed deo. Audiens autem ananias uerba hęc
procidit & expirauit. Et factus est timor magnus super omnes qui
audierunt hęc. Surrexerunt autem iuuenes & amouerunt eum &
efferentes sepelierunt. Factum est autem post spatium horarum
trium ut & uxor eius ignorans quod factum fuerat intraret. Et
respondit petrus ad illam. Dic mihi mulier si tanti agrum uendidistis.
At illa dixit. Etiam tanti. Petrus autem ad illam. Quid conuenit
inter uos temptare spiritum domini. Ecce pedes eorum qui sepelierunt
uirum tuum ad ostium & efferent te. Cecidit autem mox ante pedes
eius & expirauit. Et introgressi iuuenes inuenerunt eam mortuam
& efferentes sepelierunt ad uirum suum. Et factus est timor magnus
in uniuersa ecclesia & in omnes qui audierunt hęc. Per manus autem
apostolorum fiebant signa & prodigia multa in plebe. Et erant
unanimiter omnes in porticu salomonis. Et reliquorum nemo audebat
se iungere illis sed magnificabat eos populus. Et magis
adcrescebant credentes in domino multitudo uirorum & mulierum.
Ita ut in plateas eicerent infirmos & ponerent in lectulis &
grabatis ut ueniente petro saltem umbra illius obumbraret
quemquam illorum & liberarentur ab infirmitatibus suis. Concurrebat
autem & multitudo ciuitatum circa hierusalem deferentes infirmos
& uexatos a spiritibus immundis qui curabantur omnes. Exurgens
autem pontifex & omnes qui cum illo erant qui est heresis
sadducęorum repleti sunt zelo & iniecerunt manus in apostolos &
posuerunt eos in custodia publica. Angelus autem domini per noctem
aperuit ianuas carceris & educens eos ait. Ite & stantes loquimini
in templo populo uerba uitę huius. Quo audito introierunt mane in
templum & docebant. Uenit autem pontifex & qui cum illo erant &
conuocauerunt concilium & omnem senatum filiorum israhel &
miserunt ad carcerem ut adducerentur. Cum autem uenissent ministri
& non inuenissent eos in carcere reuersi nuntiauerunt dicentes.
Carcerem quidem inuenimus clausum cum omni diligentia & custodes
stantes ante ostia apertis autem foris neminem inuenimus intus.
Ut autem audierunt hos sermones sacerdos & magistratus templi &
principes sacerdotum dubitabant de eis quidnam fieret. Supruenit
autem quidam nuntians eis quia ecce uiri quos posuistis in carcere
sunt in templo stantes & docentes populum. Tunc abiit magistratus
templi cum ministris & adduxit eos non cum uiolentia timebant
enim populum ne lapidarentur. Adducentes autem eos statuerunt in
concilio. Et interrogauit eos pontifex dicens. Praecipientes
praecepimus uobis ne docuissetis in nomine isto & ecce repleuistis
hierusalem doctrina uestra & uultis inducere super nos sanguinem
hominis huius. Respondentes autem petrus & apostoli dixerunt.
Obedire oportet deo magis quam hominibus. Deus patrum nostrorum
suscitauit ihm quem uos interfecistis suspendentes in ligno. Hunc
principem & saluatorem exaltauit dextera sua dare penitentiam
israheli & remissionem peccatorum. Et nos sumus testes horum
uerborum & spiritus sanctus quem dedit deus obedientibus sibi.
Hi autem audientes dissecabantur & cogitabant interficere eos.
Surgens autem quidam in concilio pharisęus nomine gamaliel legis
doctor honorabilis omni populo iussit paulisper foras apostolos
fieri. Et dixit ad eos. Uiri israhelite attendite uobis quid
uobis sit facturi super homines istos. Ante hos enim dies surrexit
theudas dicens se esse aliquem cui adplicauit numerus uirorum
quasi quadringentorum qui interfectus est & omnes quotquot
credebant ei dispersi sunt & redacti sunt in nichilum. Post hunc
surrexit iudas galileus in diebus professionis & auertit populum
post se & ipse perit & omnes quotquot credebant ei dispersi sunt.
Et nunc dico uobis discedite ab hominibus istis & sinite illos.
Quoniam si est ex hominibus consilium hoc aut opus dissolui
poterit. Si autem ex deo est non poteritis dissolui ne forte
deum inuenti repugnare. Consenserunt autem illi & conuocantes
apostolos cum uerberibus dimittere eos praecipiebant ne loquerentur
in nomine ihu & dimisit eos. Illi quidem ibant gaudentes a
conspectu concilii quoniam dignati sunt pro nomine ihu contumeliam
pati. Et omni die non cessabant in templo & circa domos docentes
& euangelizantes ihm christum.

A MUSICALIA DANUBIANA a Magyar Tudományos Akadémia Zenetudományi Intézetének gondozásában megjelenő forráskiadvány-sorozat. Mint a sorozatcím is jelzi, nem szorítkozik a mai Magyarországon őrzött vagy készült forrásokra, hanem annak a szélesebb körzetnek örökségéből merít, melyet az elmúlt századokban szoros kulturális kapcsolatok fűztek össze. A sorozat a középkortól a 19. század elejéig jelentet meg írásos forrásokat. Célja a kutatások ösztönzése, s nem összefoglalása. Így bevezető tanulmányai részletes elemzésre nem vállalkoznak, megadják azonban a forrás értékeléséhez szükséges legfontosabb adatokat, az eddigi irodalom információit, s elsősorban arra a kérdésre akarnak válaszolni, hogy mit (milyen hagyományt, alkotó- és befogadó közösséget, zenei életet és stílusirányt) képvisel az adott forrás.

MUSICALIA DANUBIANA is a series of source-material publications issued under the auspices of the Institute for Musicology of the Hungarian Academy of Sciences. As the title indicates, the series is not confined to sources preserved or originating in today's Hungary. It draws on the inheritance of a wider region which shared close cultural ties down the centuries. The sources published range from the Middle Ages to the early 19th century and the series aims to stimulate rather than summarise research. The introductory studies are not intended to provide detailed analyses, only to present the main informations required to evaluate the source, making use of what has been written and recorded before.
